ADMINISTRATION AND FACULTY

From its birth in 1962, Saint Joseph Regional has continually progressed through the loyal dedication and the untiring vigilance of its friend and advisor, Brother Sylvere. Brother Sylvere has been instrumental in molding and encouraging many admirable characteristics in the student body. As a friend, he has always been willing to lend a helping hand and to offer some advice to the students. Aided by Brother Basil, he has kept the school functioning and has set many people at ease with his ready-wit.

Brother Basil, C.F.X., has also been ready to help with difficulties no matter where they occurred. Brother Basil has helped to institute and co-ordinate the school's flexible system of electives. It was through Brother Basil, also, that the "new" computer-less report card was introduced at S.J.R. In addition, his was the lengthy and trying task of preparing, checking, and revising the hundreds of charts, tabulations, and evaluations necessary to meet the high standards set by the Middle States Evaluating Committee.

Mr. Richard Connolly, in his first year as Assistant Principal, has also had an important role in introducing new policies and methods. Some of his innovations, such as the hard-plastic embossed identification cards which serve many purposes, have become so much a part of life at S.J.R. that they are now taken for granted. His effect on the student body has been far-reaching: not even the most absent-minded or naive freshman has any doubt about the location of Mr. Connolly's office.

YEARBOOK

The 1967 Aegis staff should be noted for its diligent and dedicated work. In compiling such a completely new yearbook the editors have spent many a lonely night in their office, mulling over unfinished work for the upcoming deadlines. However, the finished product presents concrete evidence of their success.

Snapping over 3,000 pictures and adding the new Underclassmen section the Aegis staff has attempted to portray an accurate picture of student life. Moderated by Mr. Lawrence Becker, the Aegis staff has overcome remarkable handicaps in creating the 1967 Aegis. Though the toil was laborious, the rewards have been manifold.

NEWSPAPER

The "Guardian" staff deserves credit for its accurate and concise coverage of the activities at S.J.R. Moderated by Brother Martel, the staff attempts to provide "up to the minute" news of the "goings-on" around the school. Although the paper is only bi-monthly many improvements are continually being made to increase coverage.

Since S.J.R. is such a large school, the newspaper is an essential link between the students and the faculty. The "Guardian" staff merits our praise and thanks for doing such a fine job.

STUDENT ACTIVITY COUNCIL

This past year S.J.R. was privileged to have on the Student Activity Council four of the most dedicated, hard-working, and inventive officers in the school. Roger Franklin (President), John Straight (Vice-president), James Doyle (Secretary), and Bob Dineen (Treasurer) have shown that with organization, anything can be done. These four stalwarts have been dutifully assisted by second Vice-president, Ray Dever. The many homeroom presidents have cooperated excellently with the "Big Four" in getting done with the everyday tasks of S.A.C.

CAMERA CLUB

The past year has been a busy one for the Camera Club. Its fifteen active members have covered social functions, drama productions by both students and parents, and a wide variety of athletic contests at S.J.R. Members work in the darkroom every day after school and occasionally on weekends. The entire Camera Club meets every two weeks and usually presents films, slides, and prints directed toward improving the photographic skills of the members. Many of the candid photographs in this book, and especially the color photographs in the opening pages, are the products of these bi-monthly meetings.

DRAMA CLUB

Since its inception over four years ago, the Drama Club has become one of S.J.R.'s most popular activities, probably because it provides so many opportunities to work in the various phases of drama. The pictures above are from **Brother Orchid**, the Drama Club's fourth presentation under its indefatigable moderator, Brother Talbot, C.F.X. This spring the club hopes to extend its string of successes with Jean Anouilh's play **Becket**, which will be performed too late to be pictured here. Jim Remy (as Becket) and Brandon Blades (as King Henry) will share the leads in the play.

"Hey, Leroy, your mama's callin' you."

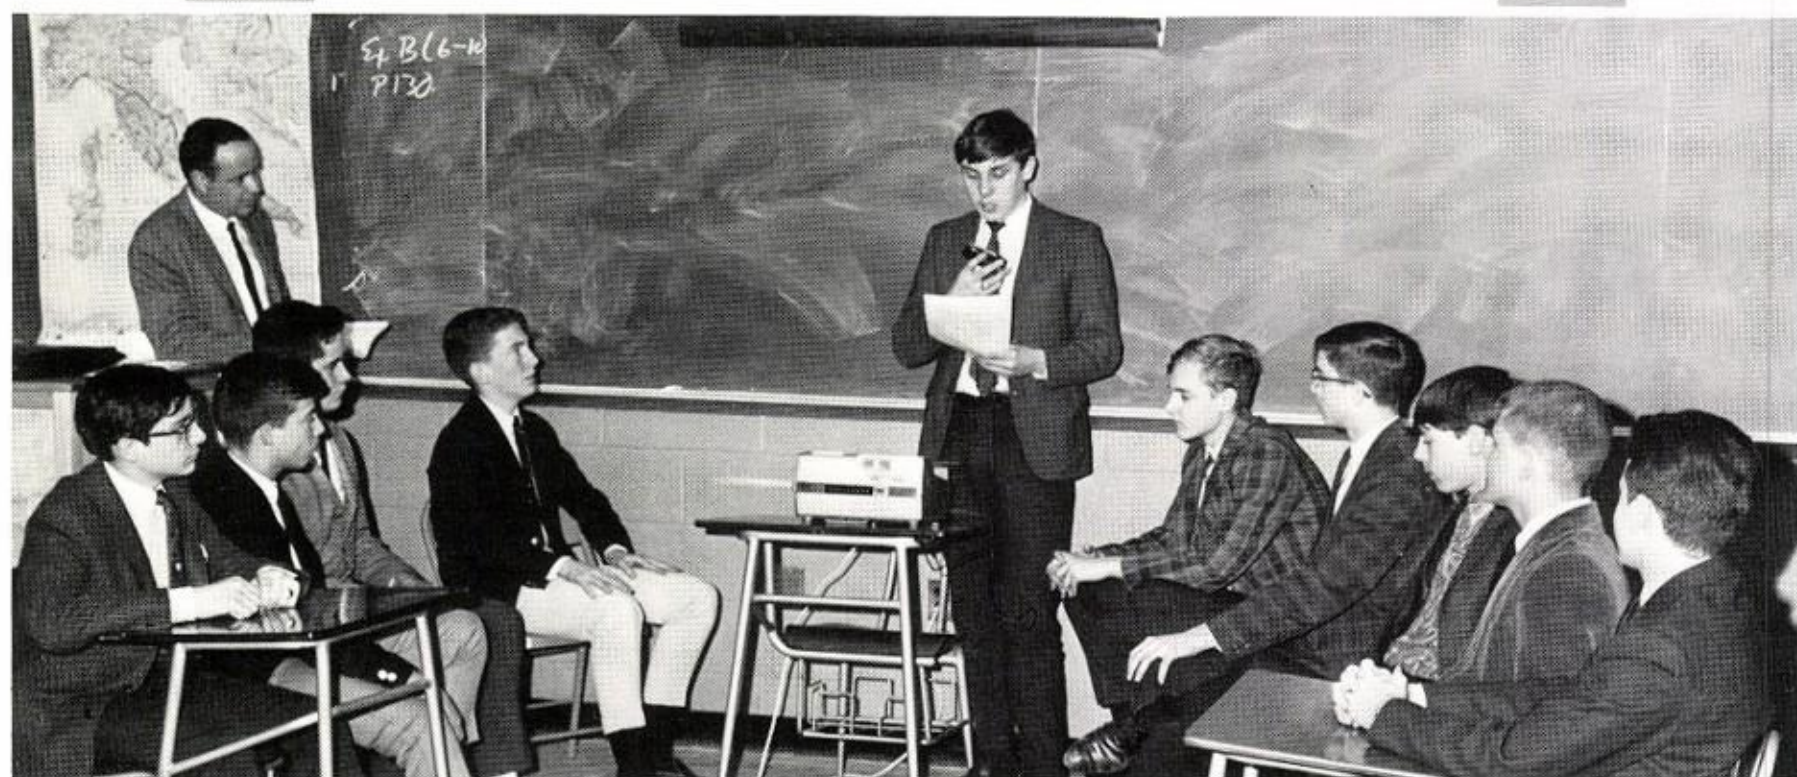

"I'm 18, I tell ya, I'm 18."

"Boss, you got bad breath."

The Latin Club: John Klopacz, Tom Puccio, Ed McNamara, John Farley, Jonathan Morse, Patrick Donohue and Mr. Ruiz, Moderator.

The Debating Club: Cy Settineri, Rich Lorenzo, Mr. Ruiz, Moderator, Craig Rooney, Kevin O'Brien, Dan Schnaidt, James Brantl, John Campion, Peter Shipman, Len Kloeber, Jonathan Morse.

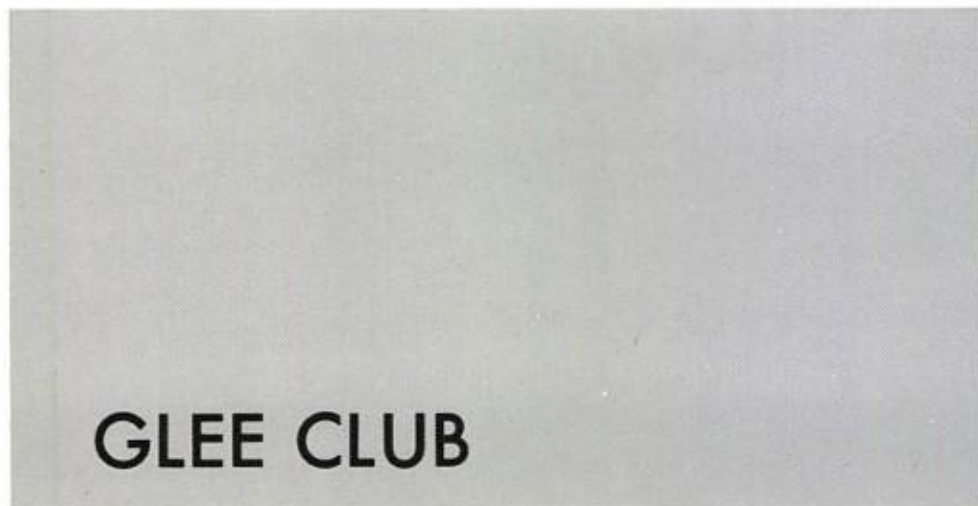

LATIN CLUB DEBATING CLUB

Although the Latin Club is the most recent addition to S.J.R.'s activities, it is making rapid progress. The Latin Club publishes a Latin newspaper, "Acta Viridium Equitum." The newspaper provides individual expression through its various articles, which include fiction, non-fiction and humor. The Latin Club has succeeded in its primary functions, to stimulate interest in Latin and to provide Latin students with a means of exercising their familiarity with the language.

Since discussion of current events is the issue of the day, the Debating Club attempts to establish opinions through an orderly presentation of facts. The debates are not limited to members of this activity, but are open to all members of the school. With diligence and perseverance, the members of this club prepare for future victories in the field of rhetoric.

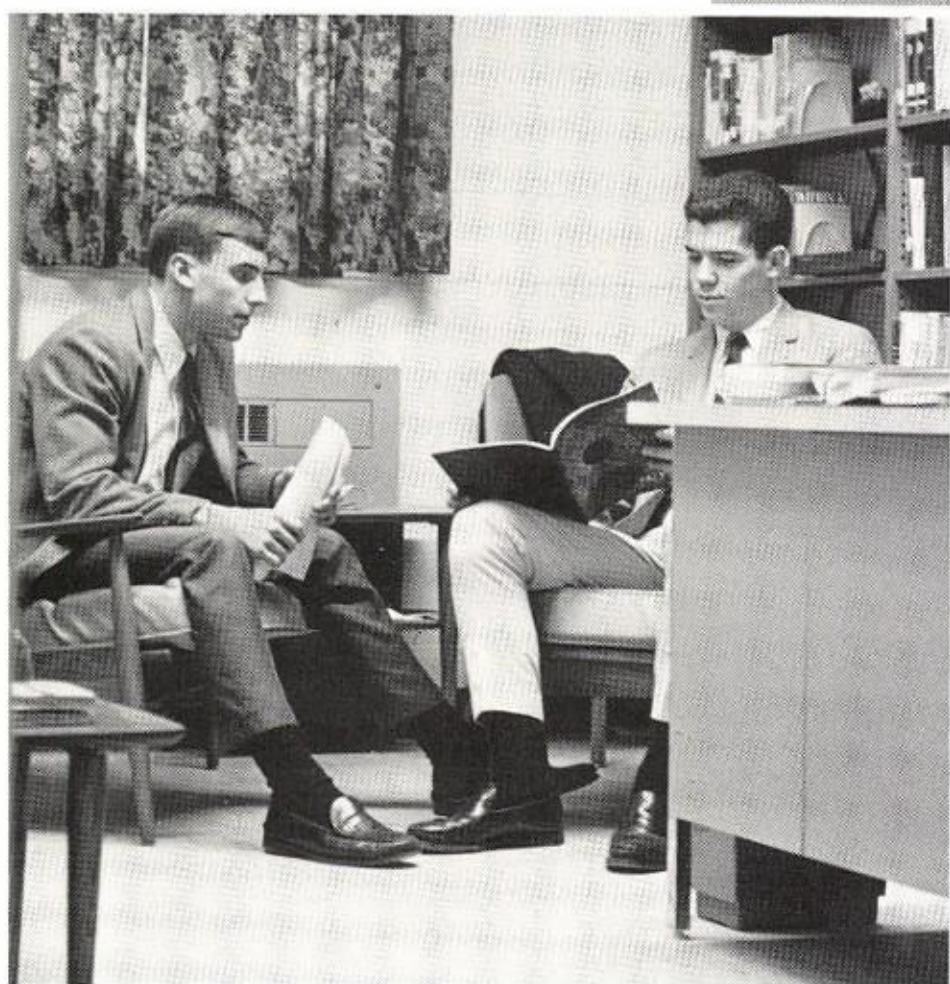

"Well, when are you going to let us out?"

From its humble beginnings five years ago, the Glee Club now numbers over thirty members, a valid cross-section of the school's student body. The increased interest is due in part to the inherent desire to express oneself both vocally and artistically. A more important reason for its growth, however, is the effort expended by its instructor and moderator, Mr. Peter Miraglia. The Glee Club's latest venture, the production of **Bye Bye Birdie**, will be presented during the spring, too late to appear in this edition of **Aegis**.

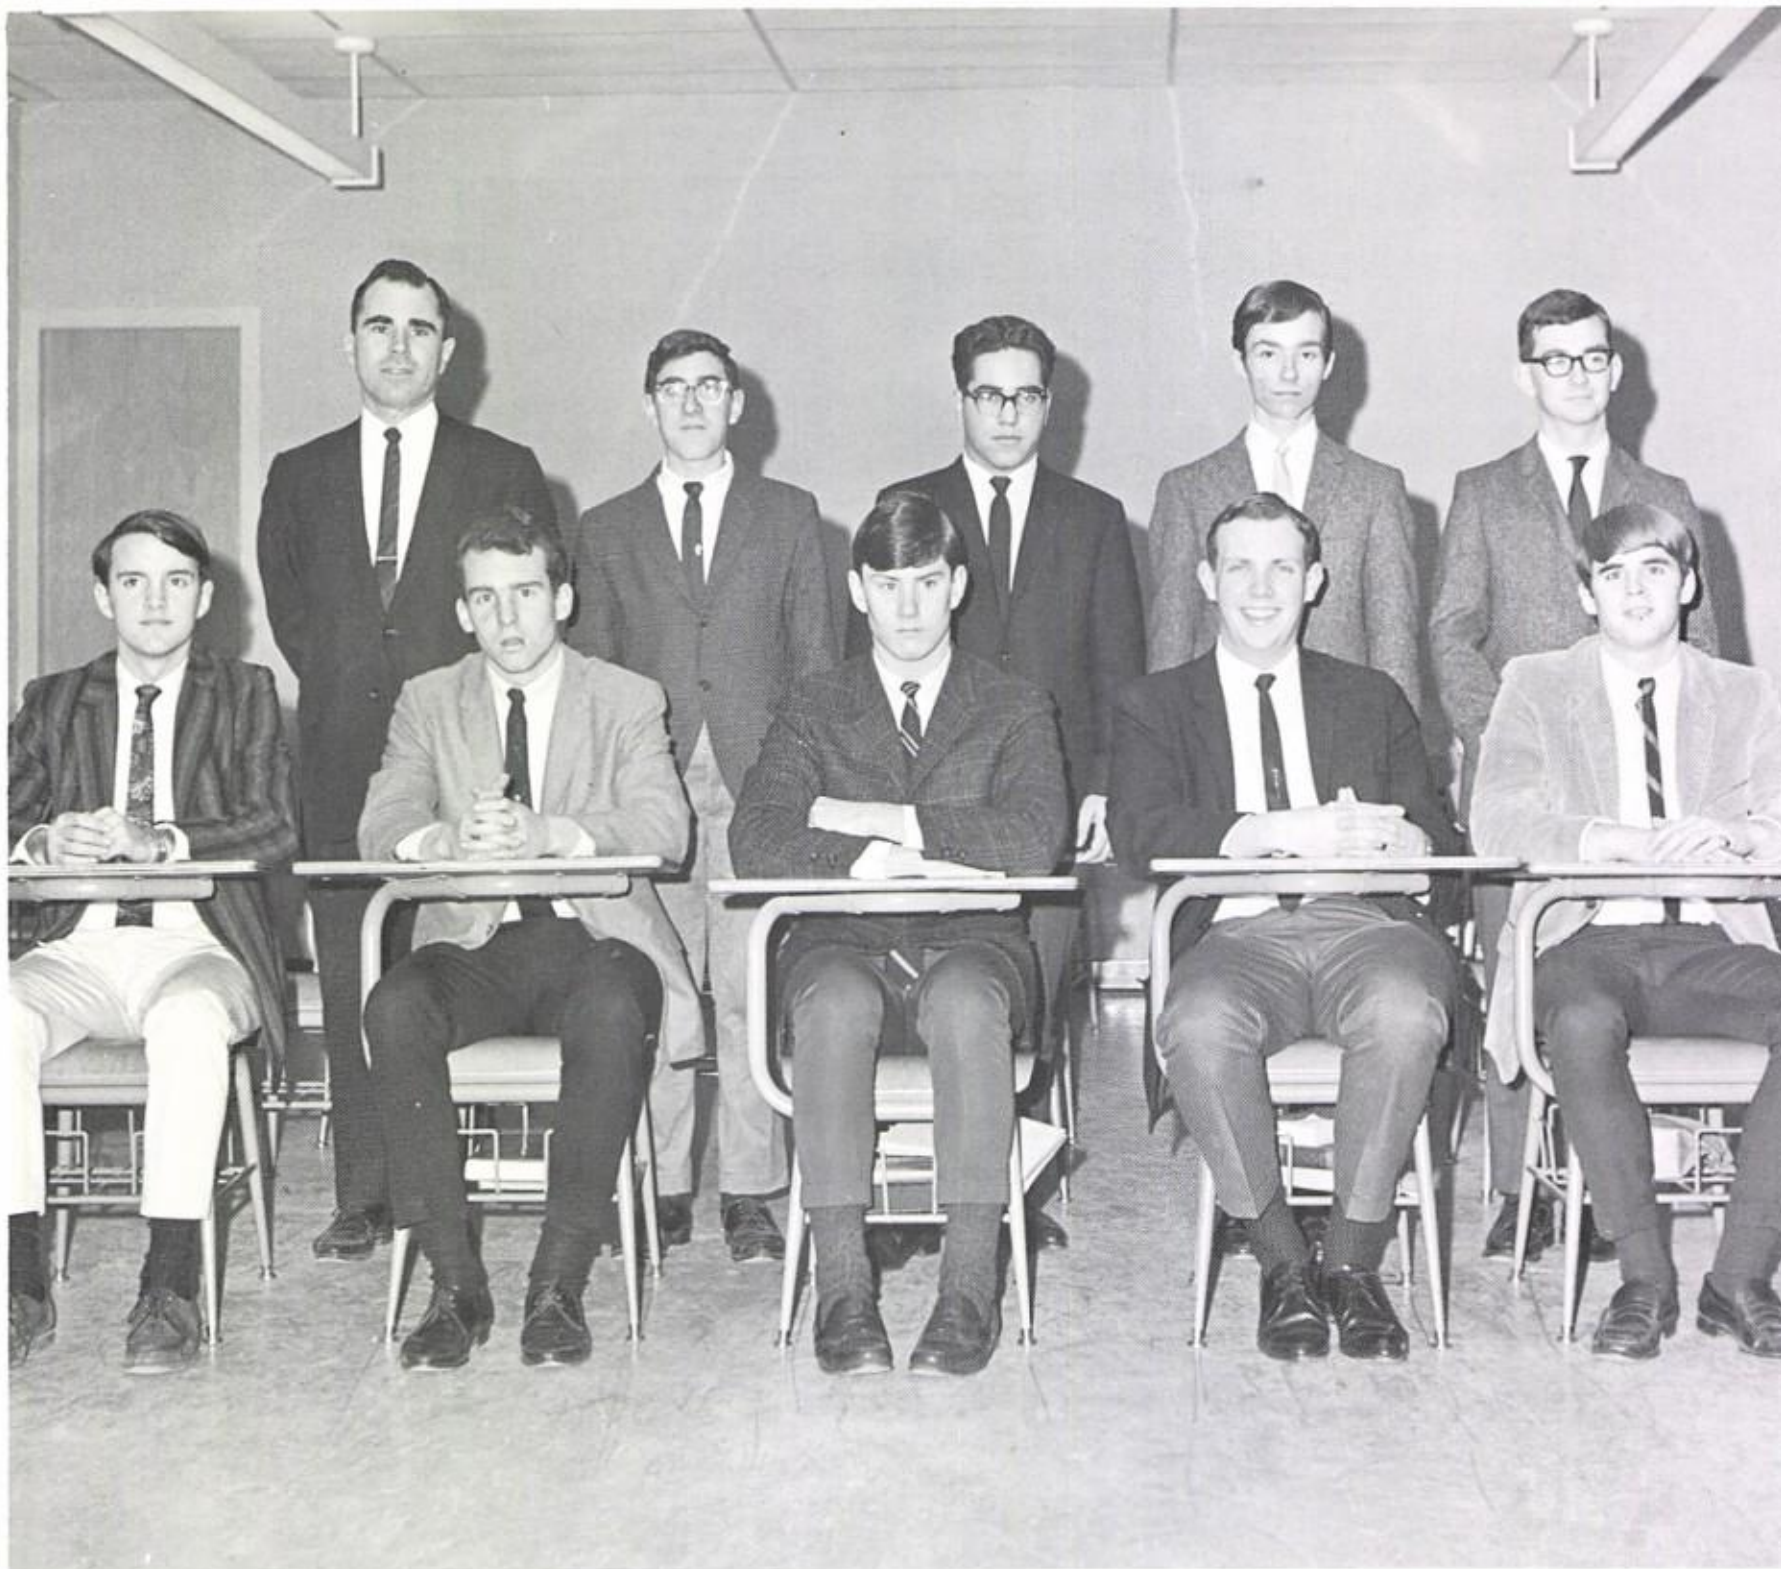

"... and then he tells me that I've got fourteen demerits."

"What looks good in the fifth?"

LITERARY MAGAZINE

In its short history, S.J.R. has sponsored two literary magazines. However, this year's **Alpha** should be the best yet. Guided by Mr. Richard Shust, the staff has rapidly progressed in the art of stimulating the creative talents of the student body. This year **Alpha** has accepted articles on a competitive basis, offering awards for the best stories, essays, and poems. **Alpha '67** is a tribute to the hard work of its small staff, especially its editor, Joe Quinn, and Dave Burke.

Moderator, Gary Battel, Paul Zagarino, Peter Ott, Mike Skehan. **NOT PICTURED:** Ted Vander Wiede.

MATH LEAGUE

The S.J.R. Math League, now in its third year of existence, has become one of the popular activities in the school. S.J.R. is the only Catholic school holding membership in the Bergen County Interscholastic Math League. The team competes in several meets each year. Every meet consists of several problems with varying time limits. Mr. Roswell moderates the Math League with the purpose of maintaining the interest of math-minded students in their field of ability.

The National Honor Society. FIRST ROW: John Byrne, Michael Lenehan, Gary Battel, Michael Skehan, Peter Ott, Michael Twomey, Ken Barkauskas. **SECOND ROW:** Mr. McConnell, Moderator, Steven

Saner, Patrick Donohue, Leonard Wohlrab, Vincent Maloney, Thomas Ostrander, Robert Mohn, Lawrence Maver.

The Chemistry Club: Len Trapani, Tom Wagner, Al Martini, Craig Gawel. **NOT PICTURED:** Mike Oates, Ed Maes.

Membership in the National Honor Society is the highest scholastic award that Saint Joseph Regional can bestow upon a member of the student body. Since a small portion, only one-tenth, of the graduating class is eligible for membership, the competition is extraordinarily selective. Because the task of selecting the members is so difficult, the burden rests on the shoulders of the faculty. After careful deliberation, the students are selected on the bases of scholastic achievement, leadership, and service to the school. The "chosen few" deserve credit and admiration for their unique qualities.

Although it is a young activity, the chemistry club is already adding new members to its roster. Moderated by Mr. Edward Herbert, the Chemistry Club is on its way to new discoveries. Interested students and future chemists conduct experiments to prove or disprove given theories. Not only are the members taught the doctrines of chemistry, but they are also shown how to apply them. One day, an important discovery may be made by a former member of S.J.R.'s Chemistry Club.

The Rifle Club: FIRST ROW: John Walters, Joe Nachtigal, David Garramone, Richard Shouldis, Rich Magrini. **STANDING:** Scott

Scharpe, Bro. Talbot, C.F.X., Moderator, Steve Kakos. **NOT PICTURED:** Rich Klein, Jim McGovern, Tom Kennedy.

RIFLE CLUB

The S.J.R. Rifle Club has made great strides in its three years of existence. Mostly through the efforts of its members, it has built up its supply of guns and all other necessary equipment. Brother Talbot, the head of the Rifle Club, has moved the rifle range from the close confines of the school basement to more spacious surroundings in a well lighted garage. Here the members compete to see who will represent the school in match play. Another brilliant idea initiated by Brother Talbot is the annual Turkey Shoot, which helps the club defray its expenses.

"He bowls better in his sleep than he does when he's awake."

BOWLING

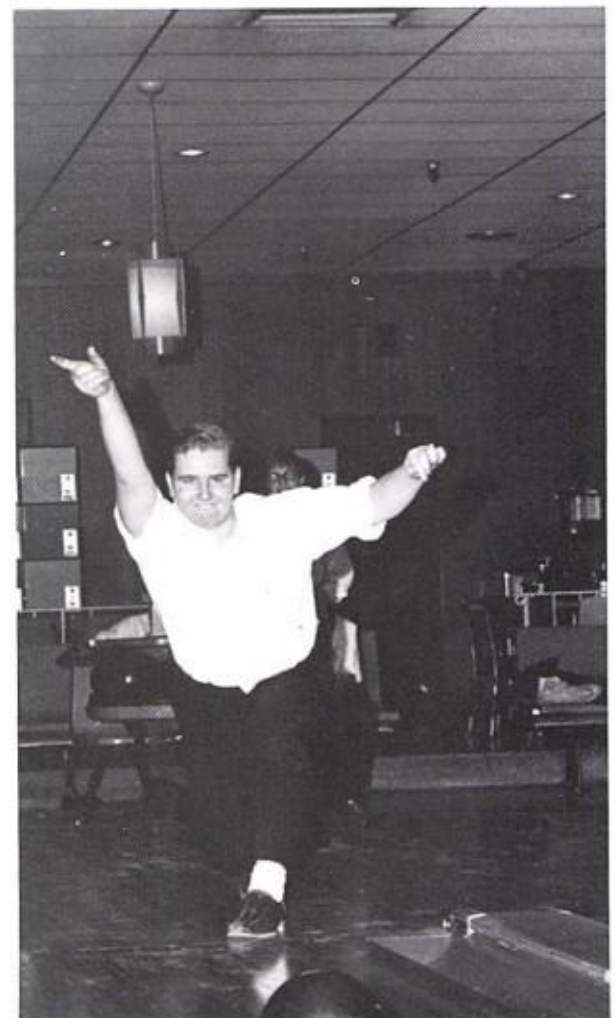

Under the adept leadership of Mr. Roswell, the Intramural Bowling league made great progress this past year. Some thirty students actively supported this activity. Its purpose was to combine a school-sponsored program with an athletic activity. To the surprise of no one, it worked out quite well. The competition was keen and the final standing proves this. The leader as the final week of the season rolled around was the team composed of Greg Miller, Bob O'Connell, and Rich Liszewski. Other standout performers in the league were Rodney Whaley, John Byrne, Charles Coleman, and John Griffin.

SPORTS

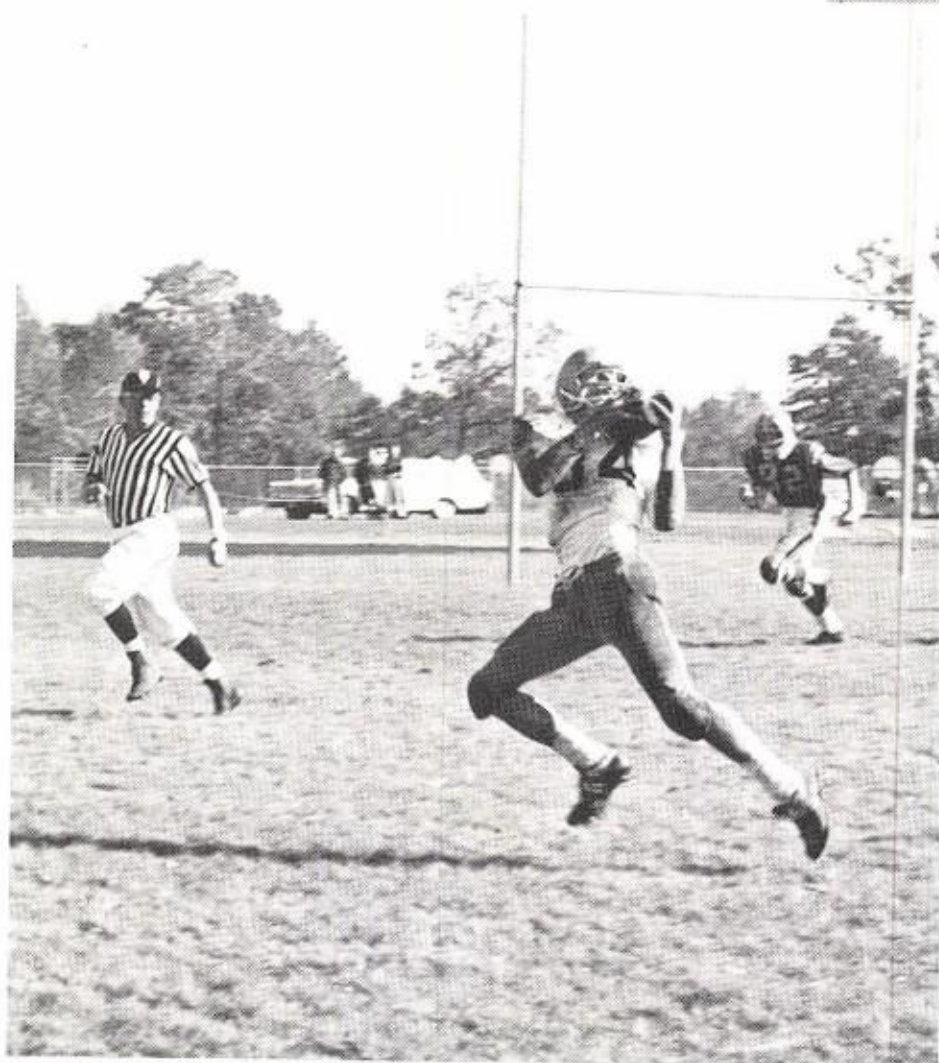

FOOTBALL

Great progress was made by the S.J.R. on the gridiron this year. Coming off a poor season, the Green Knights became a team which was respected by its opponents. With an enlarged coaching staff, a full football program was launched with three full teams, numbering nearly ninety players, participating. In football, great teams are not molded in the first few years, but if the freshman team's 7-1 record is any indication, St. Joseph Regional will soon have another powerful team to contend with.

SOCCKER

Soccer is one of the three fall sports offered at Saint Joseph Regional, but like Cross-Country, the sport is hampered by a general lack of interest or awareness on the part of the student body. This lack of support does not discourage the enthusiasm of the players however, and shows signs of a gradual disappearance. This year, for example, Mr. Shore reported the largest turnout ever for his Freshman team. Both Brother Talbot, C.F.X. and Mr. Shore hope that soccer will soon gain the attention that it justly deserves.

BASKETBALL

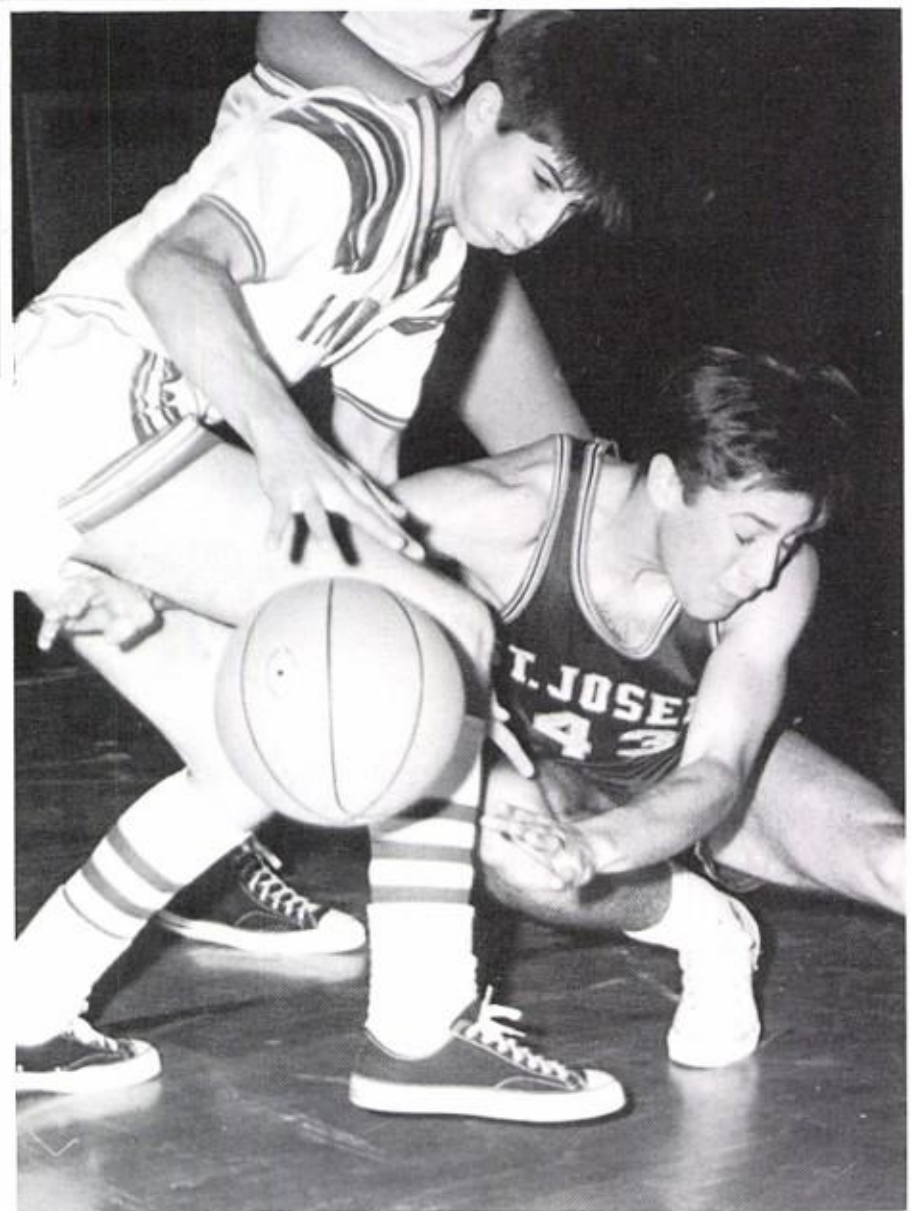

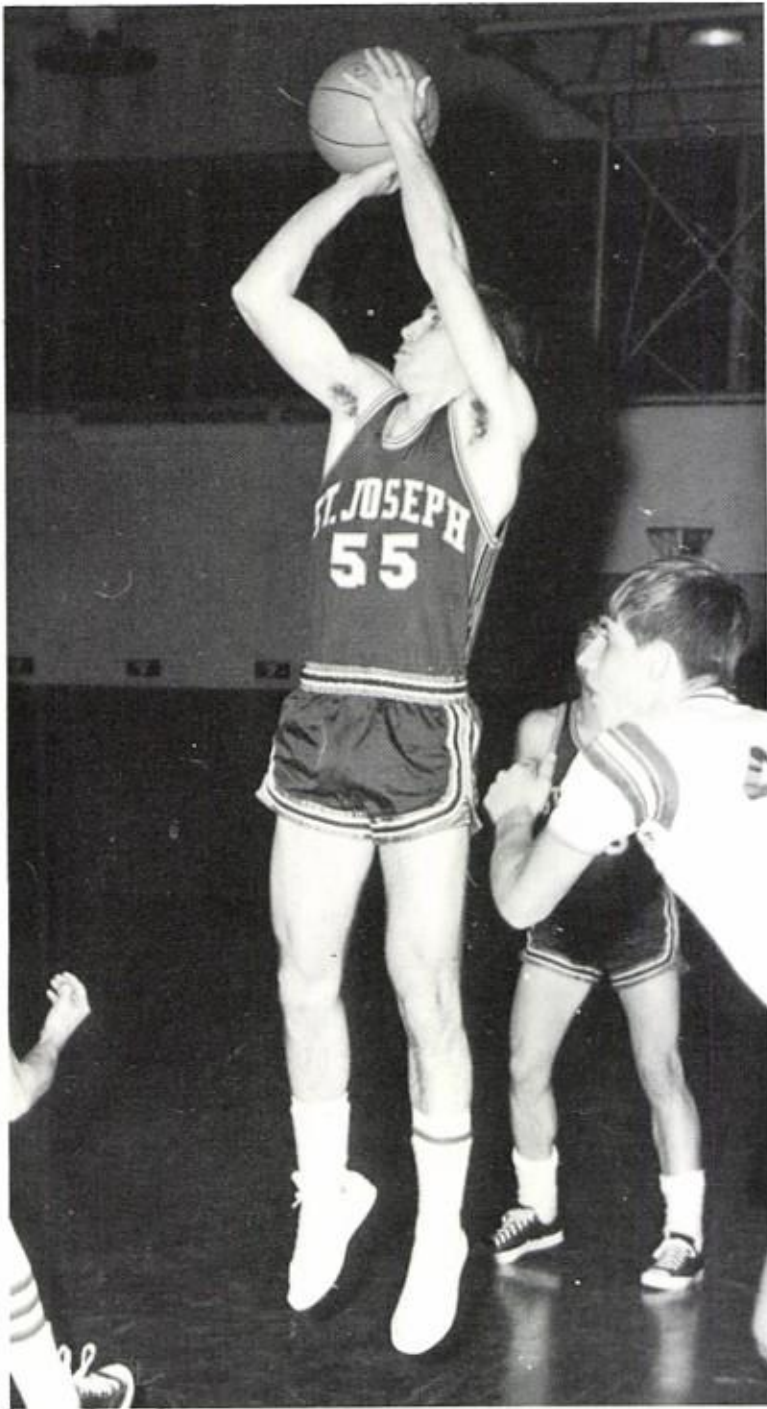

The S.J.R. Varsity Basketball Team fared well during the 1966-1967 campaign in its second year under Coach Calabrese. Although they lacked size, the players compensated for this with their hustling defense. Their first nine foes all fell in succession, but after this auspicious beginning the Green Knights dropped many of the other games by close scores. For the second year in a row, the team qualified for the State Tournament.

The Junior Varsity Team was even more impressive, rolling up 16 wins and losing 5 by a total of only 11 points. The excellence of the team promises a bright future for St. Joseph's.

After a slow start, the Freshman Basketball Team got on the winning trail. The high point of the season was the defeat of top-seeded Hackensack in the Hackensack Invitational Tournament.

BASEBALL

The upcoming baseball season will be St. Joseph's third year of varsity competition. In the two previous seasons the team finished third and second respectively as members of the Tri-County League. This year the team, under Coach McConnell, enters a bigger and stronger league. One distinction the baseball team holds is their victories over both Bergen Catholic and Don Bosco against no defeats.

Due to the early deadline, spring sports can not be adequately covered. Therefore, pictures in the next few pages are from the 1966 season.

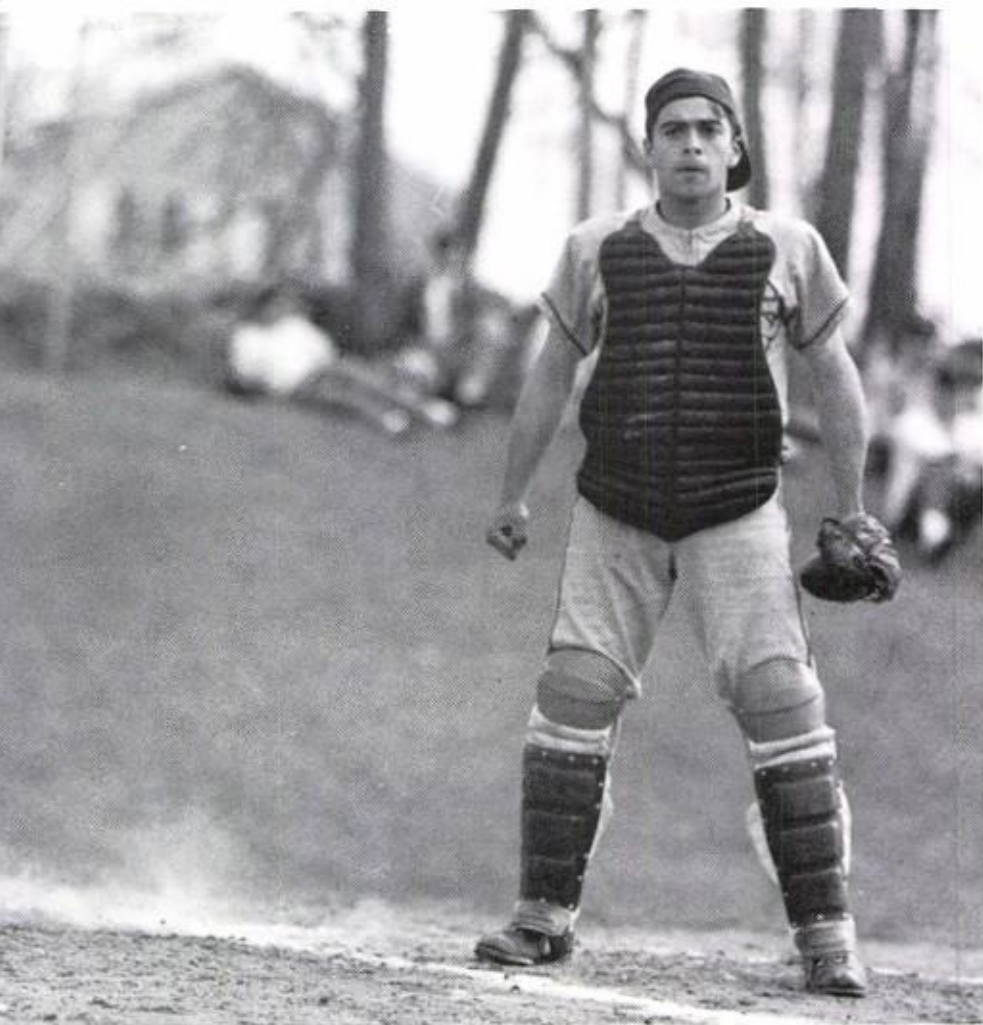

The Varsity Baseball Team— STANDING, FROM LEFT TO RIGHT: Gerry Dobbins, Mgr. Mr. McConnell, Tom Johnston, Phil McCabe, Bill Jones, Bob Dineen, John Martin, Pete Henrici, Tony Zoch

The Freshman Baseball Team—SITTING, FROM LEFT TO RIGHT: John O'Brien, Bill Looney, Dan Molloy, Warren Clark, Bob Salomone, Brian Weaver. **SITTING (SECOND ROW):** Mark McLoughlin, Cornelius Wenthon, Jim Abels, Bob Lewandowski, Tom Rog-

ers, Frank Datoli, Randy Milburn. **STANDING:** Leo Collins, Tom Gilroy, Jim Coonan, Bob O'Brien, Bob McEllen, and Mr. Herbert, Freshman Coach.

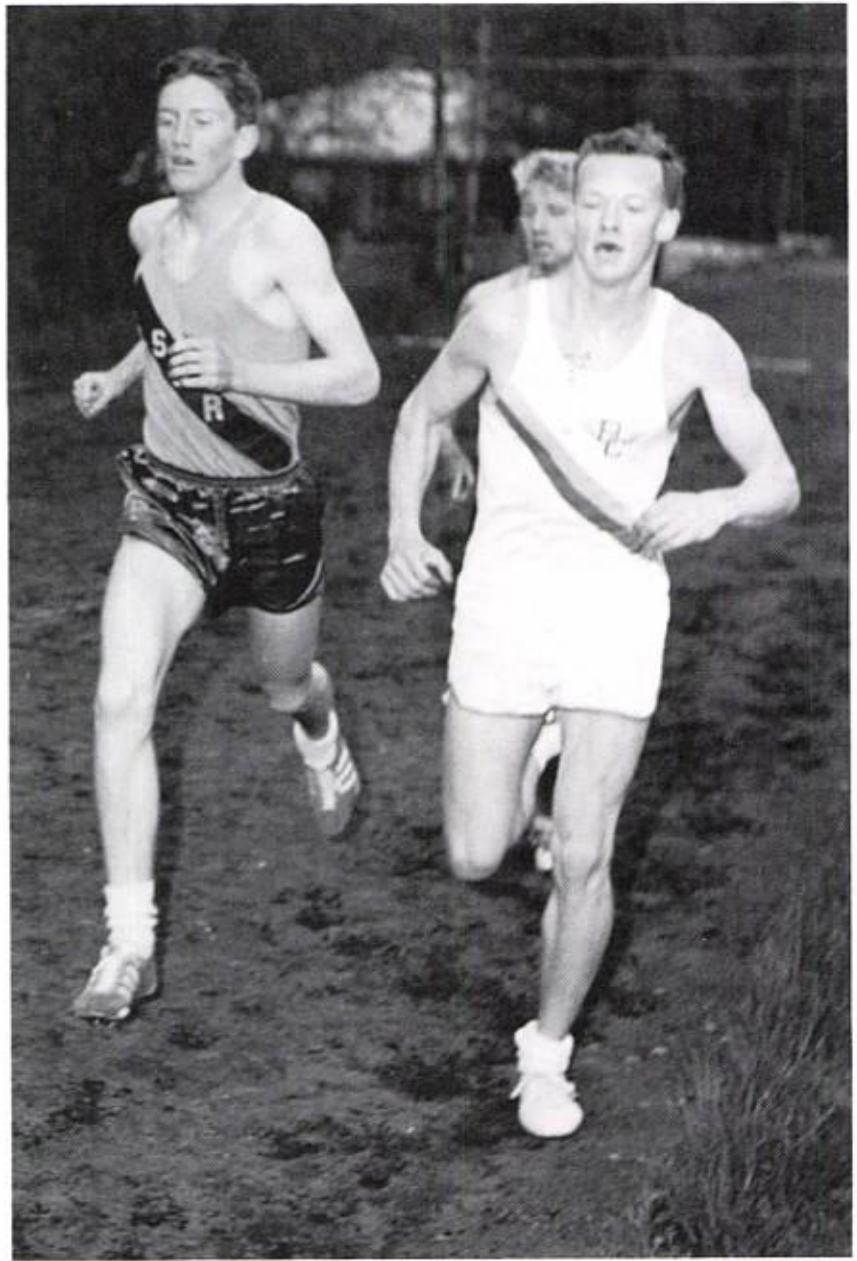

The Varsity Cross-Country Team—FROM LEFT TO RIGHT: Mr. Murphy, Bob Williamson, Kevin Clark, Joe Mullin, Brian Campion, George Crosby, Rich Higgins, and Art Schmidlein.

TRACK

Enter the locker room at 3:00 any day and you'll find a few students hurriedly changing into their suits. These are the athletes who work out for Track. They come in assorted sizes and go to assorted places, depending on the season and the event. In the fall, they follow the cross-country courses; when winter arrives, they brave both the cold and the cars in the parking lot; lastly, they head for the track surrounding the football field at the first sign of spring.

The team has had a good season thus far, keeping up with the giants of the sport and consistently beating Bergen Catholic. They are eagerly looking forward to the State Championships, where they feel confident that they can show that the true power of New Jersey is the one from Montvale: St. Joseph Regional High School.

The J.V. Cross-Country Team—STANDING, FROM LEFT TO RIGHT: Mr. Murphy, Jim Walters, Steve O'Rourke, Frank Cavuto, Mark Werneke, Tom Harris, Jim Williamson, John Kron. KNEELING:

TENNIS

Under the able coaching of Brother Stanley, C.F.X., the Saint Joseph Regional Varsity Tennis Team achieved a nearly perfect season in 1966. Composed entirely of underclassmen, the squad compiled an outstanding record of 13 - 2, bowing only to Westwood High and Northern Valley (Demarest). By winning S.J.R.'s only Tri-County Championship and by copping the First St. Joseph Invitational Tournament, the netmen were responsible for numerous additions to the school's ever-growing trophy case. With the help of four returning lettermen — Seniors Larry Villacci and Bob Harrington, and Juniors Mark Werneke and Dave Skeffington — Brother Stanley is looking forward to another successful season.

The Varsity Bowling Team—KNEELING, FROM LEFT TO RIGHT: Doug Davis, Ed Breen, Jim Doyle, Jim Mawhinney. STAND-

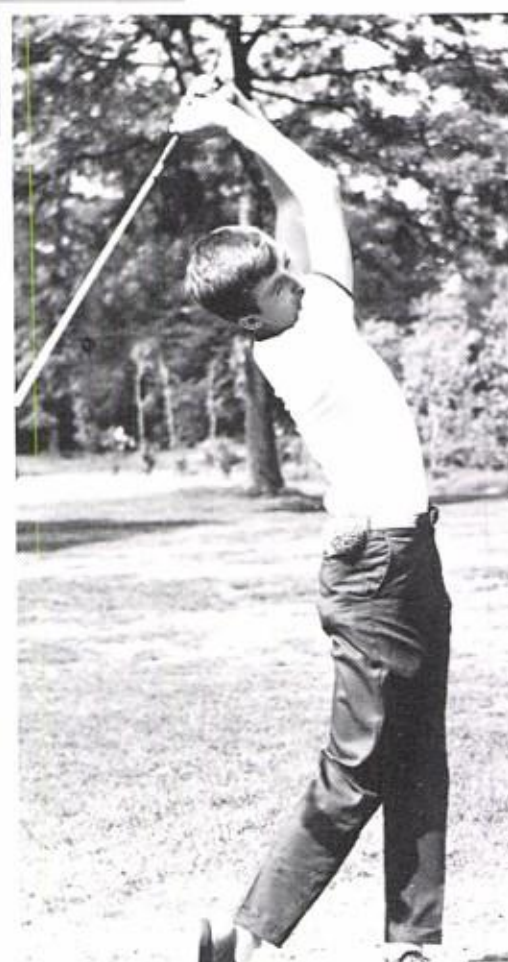

ING: Mr. Roswell, Coach, Charlie Tregidgo, Dave Jussen, Skip Maina, Fred Fitzsimmons.

BOWLING

The Varsity Bowling Team has come a long way since its first discouraging season only three short years ago. The team's extremely high average has been overshadowed by a few bad breaks and the strong competition which is characteristic of the league. The team has been involved in many close contests, and because of its strong showing Mr. Roswell, the coach, sees only success for future bowling at S.J.R.

Mike Skehan, Tom Boron, and Marty Mulholland discuss various ways to make 53 and 49 add up to a par 72.

GOLF

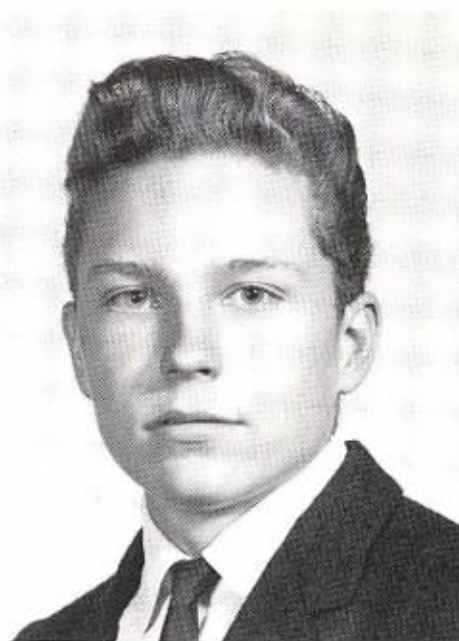

Every spring a small group of S.J.R. students travel three or four times a week to represent the school on the fairways. Golf is the most recent sport in which St. Joseph's competes, but unlike other sports, has never had a disastrous season. Coached by Mr. Ruiz, the team plays in the County League, primarily composed of public schools. Though they have no fan support, the members of the team are devoted to the sport and the school which they represent.

THE BIANCHI FAMILY

We, the staff of AEGIS '67, wish to express our gratitude to all those who have contributed to this book and especially

to Brother Sylvere, C.F.X., our principal, for his interest and willingness to go along with our ambitious project;

to Brother Basil, C.F.X., and Mr. Connolly and all the faculty for their cooperation;

to Mr. Jacques Saphier, for his countless hours photographing at S.J.R., especially for his color photograph of the fountain on page 10;

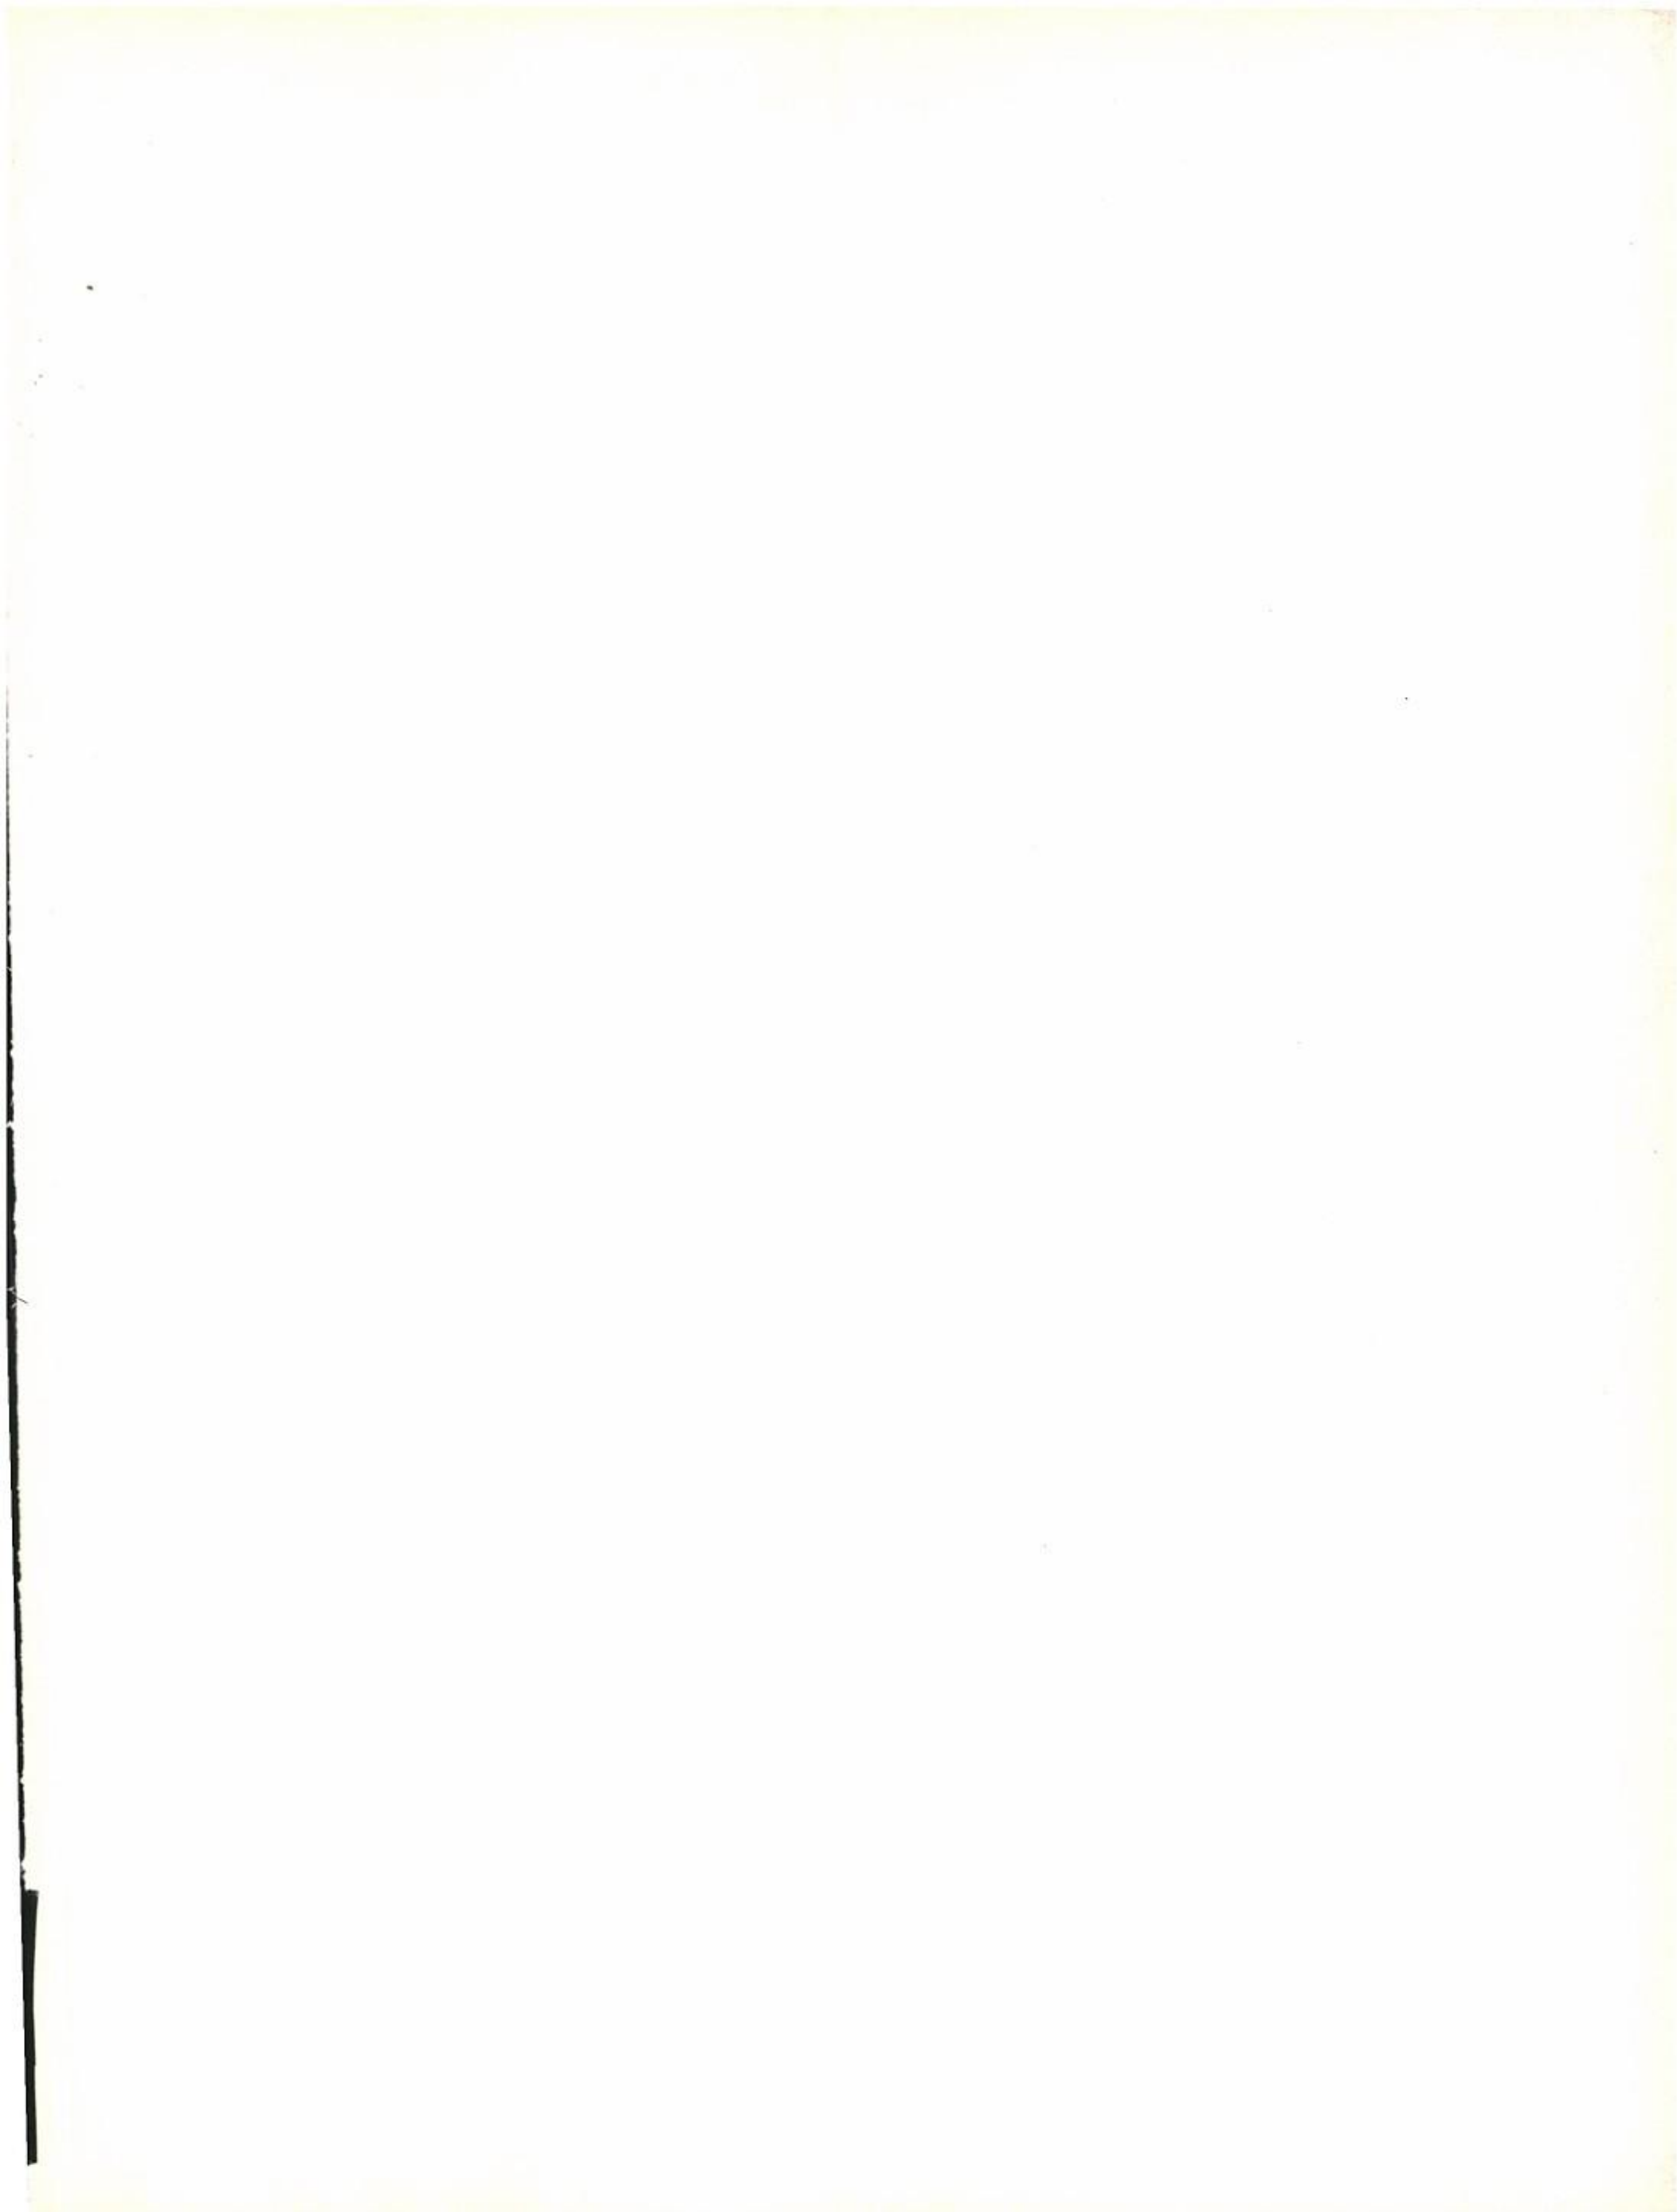

to Mr. Louis Esposito, our yearbook representative, for his expert advice and helpful encouragement;

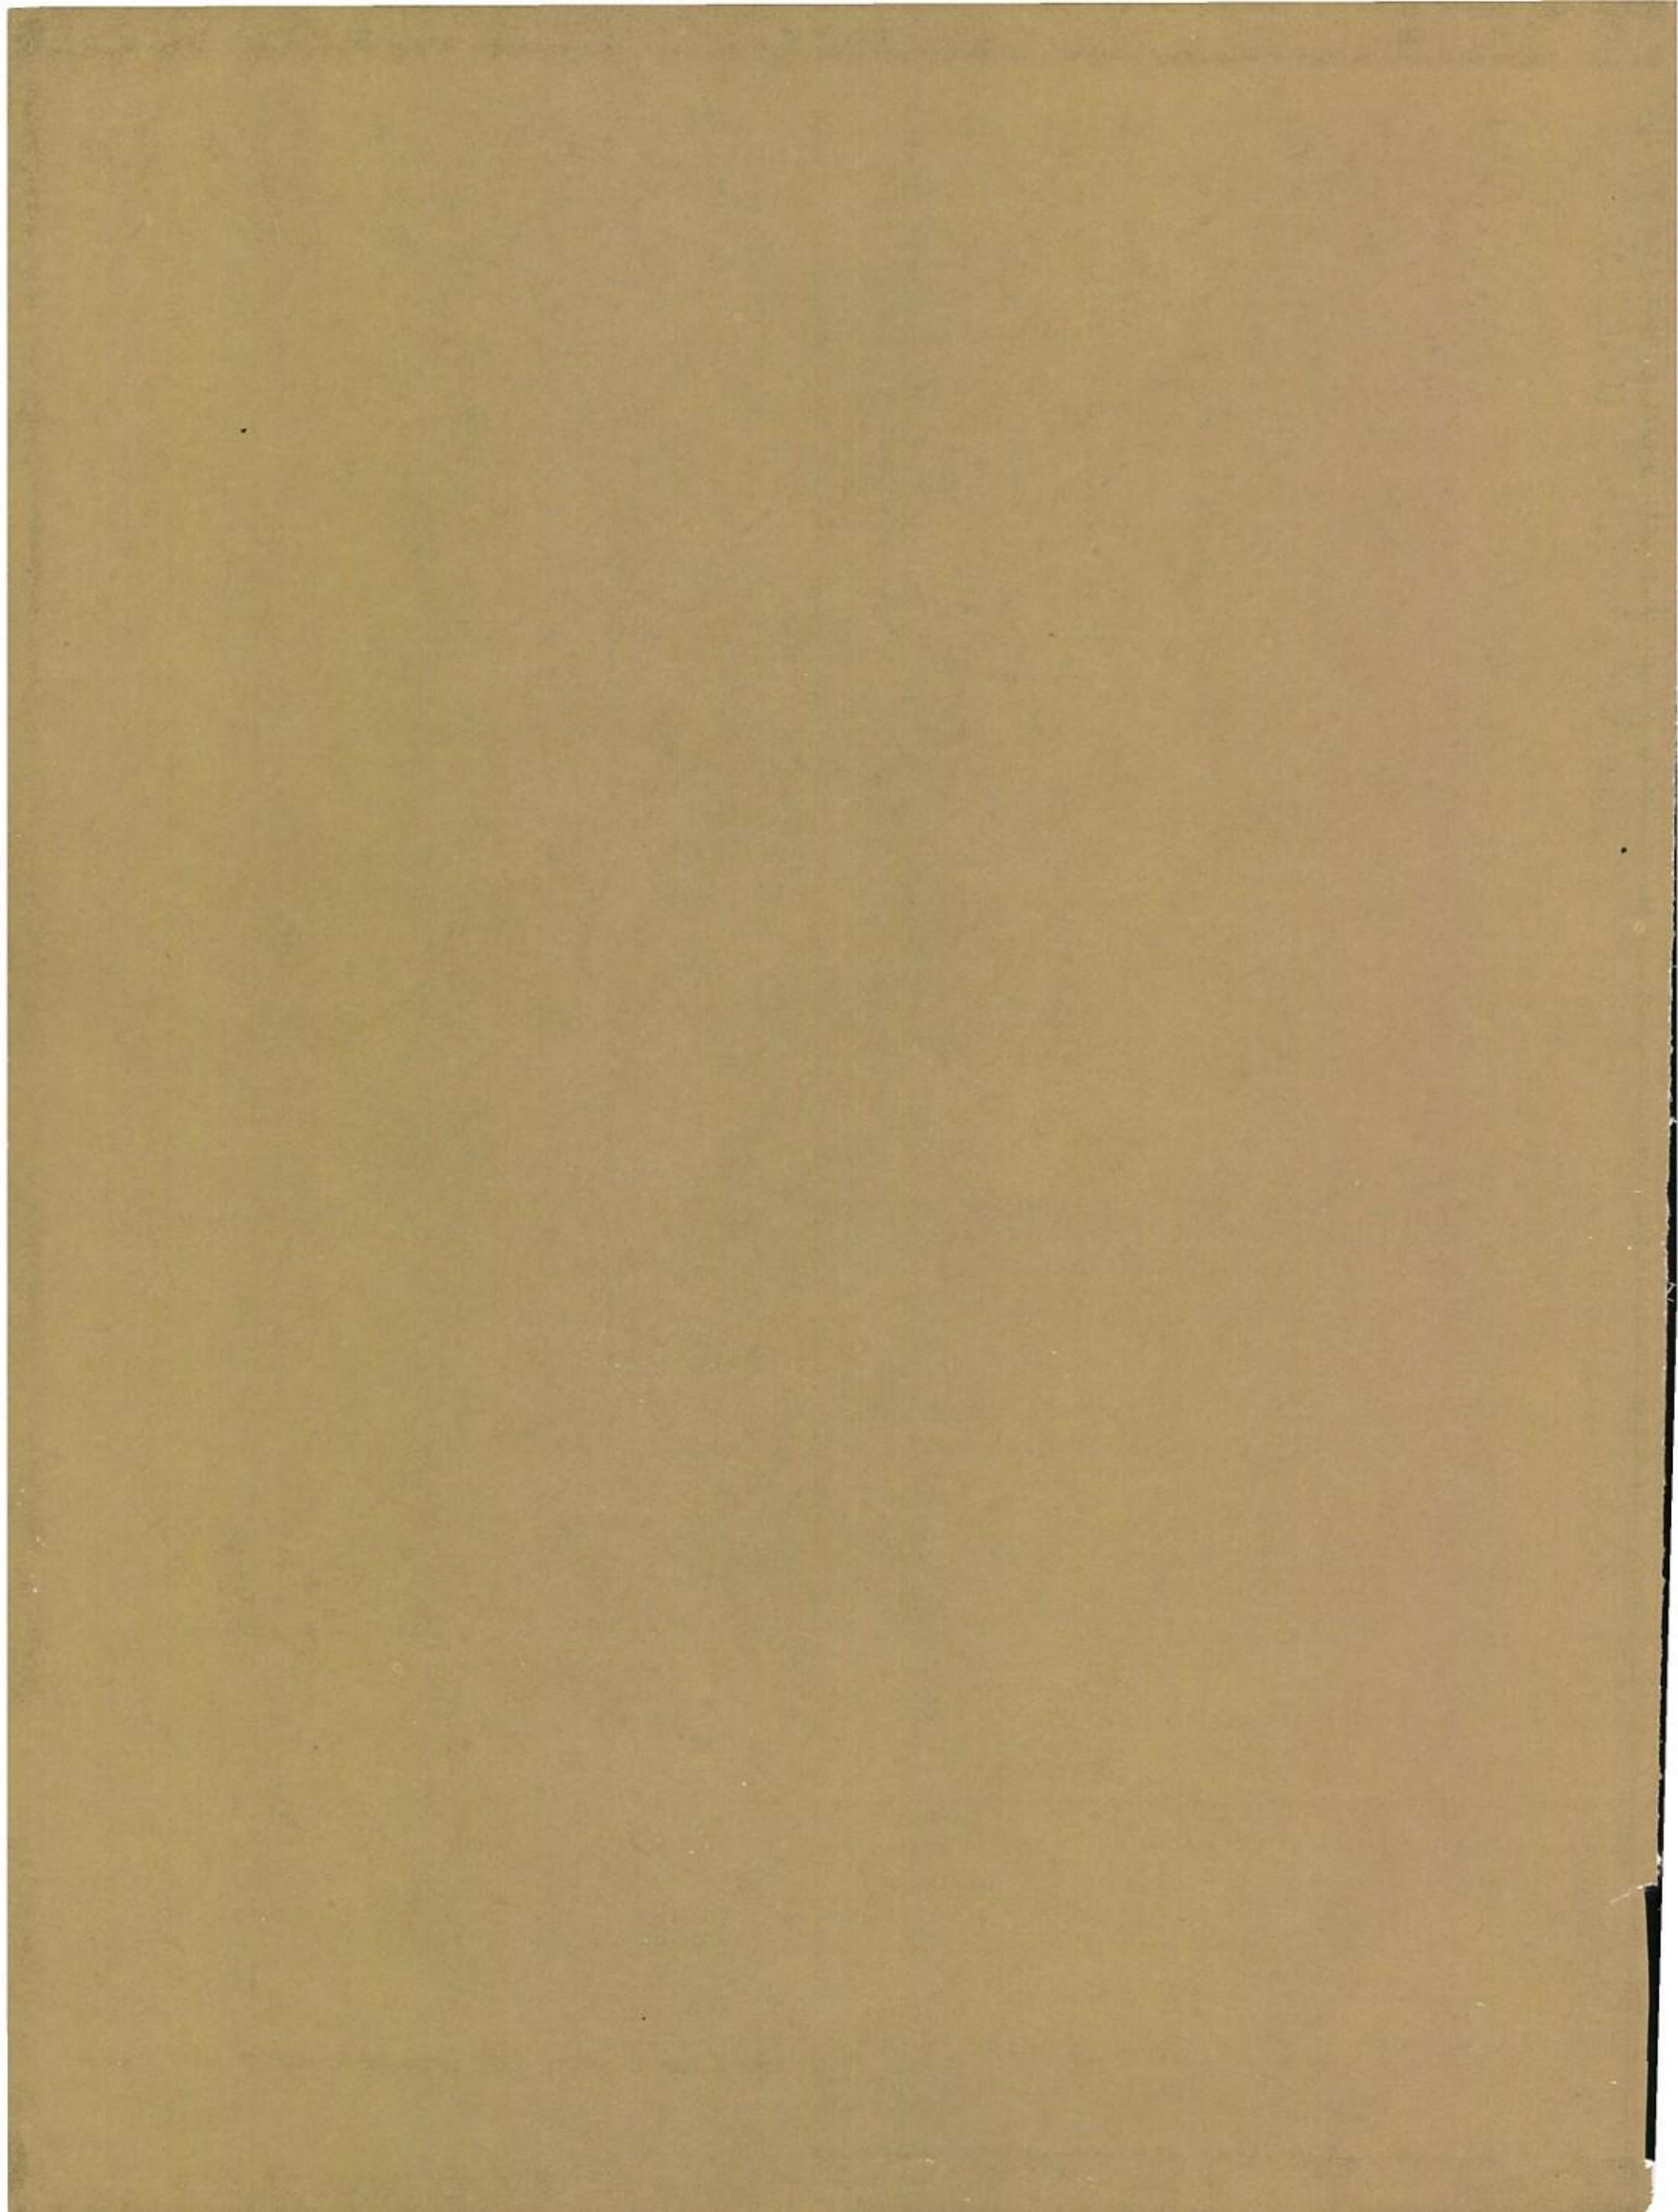

to Mr. Lawrence Becker, our moderator, who put up with all the members of the staff and perseveringly elicited the best from us all;

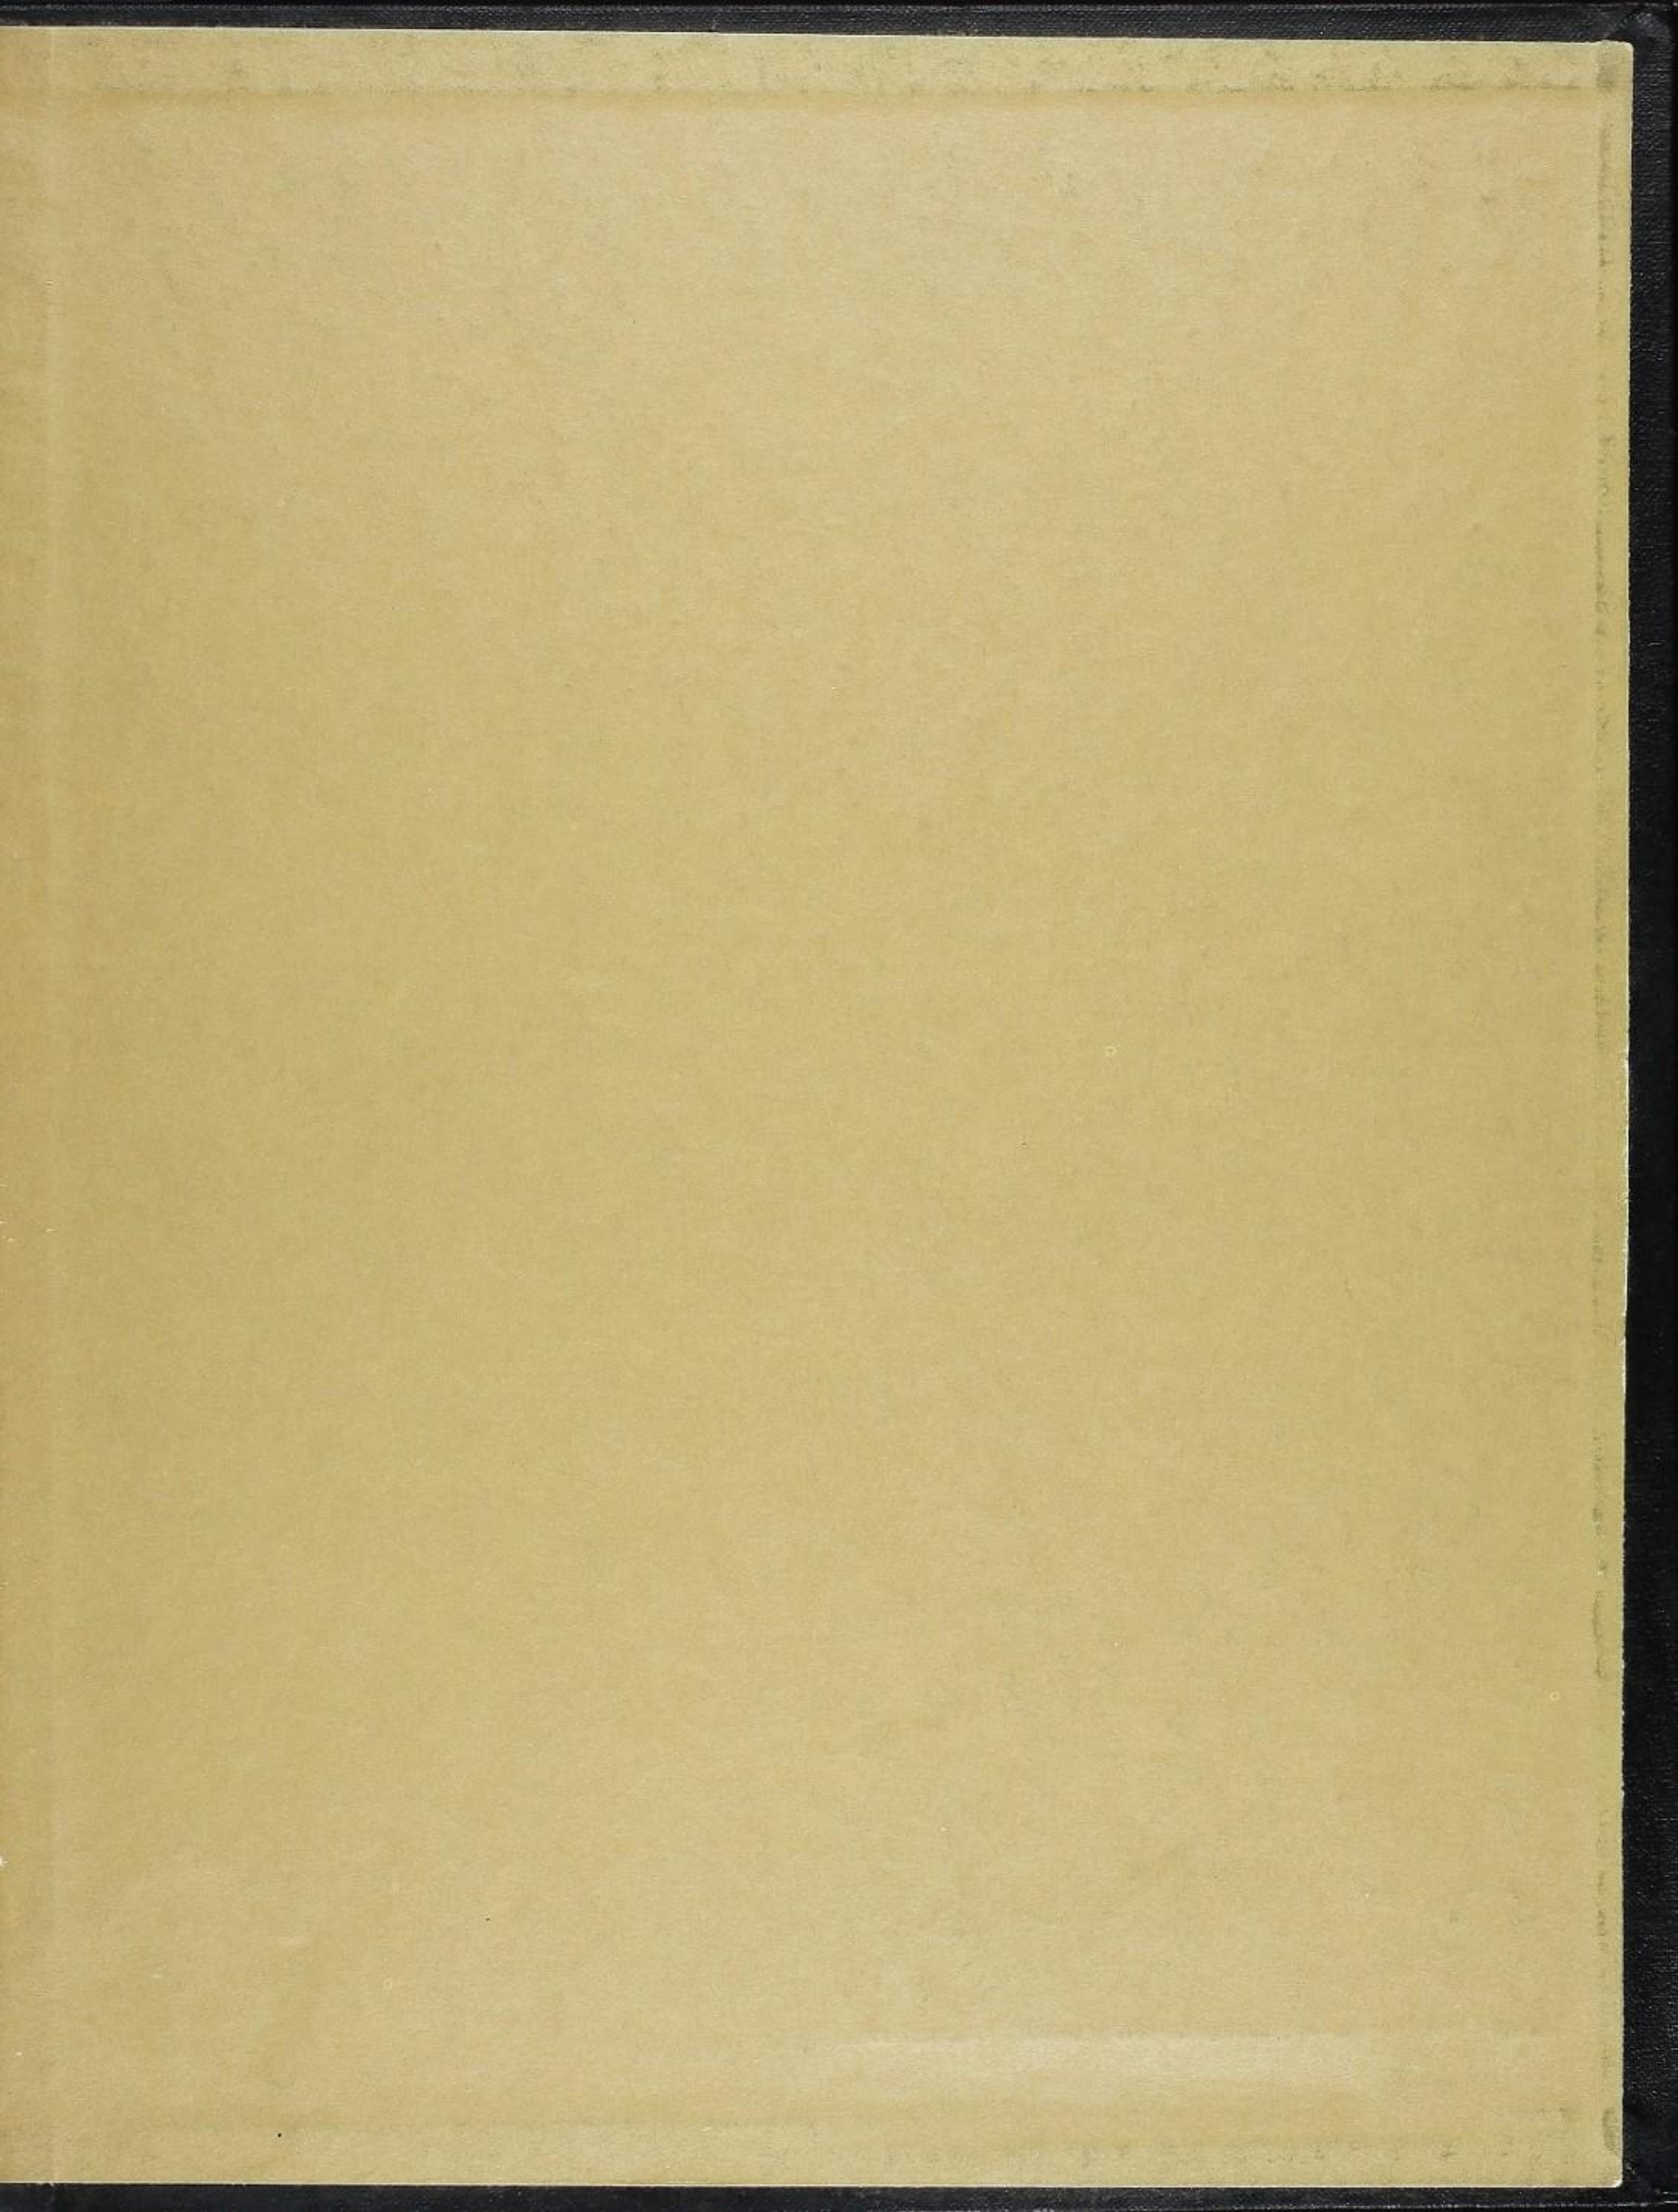

to the student body of St. Joseph Regional, whose support was essential for publication;

to all those who contributed financially as boosters and thus provided an essential help to our efforts.
